

The annual re-affiliation form is now online and available for affiliates to complete. Only the Master account holder (Agent of Record) can log in and complete this form. The \$135 fee is required at the time the form is submitted. Affiliation forms are due no later than Sept 1, 2011, and for full affiliates must be submitted, with payment received, before any players may be rostered to teams and have passes and rosters. All associate affiliates must submit the form, with payment received, before any games will be sanctioned.

This year there are 3 different forms, and affiliates need to select the correct one.

All full affiliates (those that register players) must complete the form found at this link.
