

Region C Davis/Hackworth Memorial Scholarship Fund

Region C has established a scholarship fund in honor of FYSA's most dedicated friends who died while in the service of FYSA, Norm Rosen, Joe Davis and Donna Hackworth. Applications are available for players who are graduating high school and resided and played in Region C for the year 2011 - 2012.

The fund has three levels of scholarship. There are five areas in which each candidate will be judged: academics, citizenship, commitment to the game of soccer, and extra-curricular activities. The Norman Rosen scholarship is awarded to the top boy and top girl, region-wide, this includes an invite to the Region C Roundtable at the FYSA AGM to receive the award. The Donna Hackworth scholarship is awarded to the second highest boy and second highest girl region-wide. The Joe Davis scholarship is awarded to the rest of the candidates.

Each candidate should complete and submit this form along with the following: letters of reference (minimum of two), transcript, resume of accomplishments, and a short essay about yourself and your future plans. Please be sure to include sports, academic, and community service references along with letters of recommendation. Please submit the application and all required documentation by June 8th, 2012 to David DiTillio at the address provided at the bottom of this application.
