

PLAYING UP RULE

211.3 It is FYSA's policy that all players compete at a level they are capable of both physically and developmentally. For a player to move up more than one normal age grouping will require approval from the affiliates director of coaching or agent of record, and FYSA Director of Coaching. Failure to obtain proper permission may result in the player being removed from the team's roster.

FYSA POLICY

- Playing up approval is only required for Players U 4 - U 8 to play up more than 1 age group,
- Players U 10 - U 15 playing up 2 age groups.
- No permission is needed for U 15, U16, U17 or U18 girls to play on a U 19 girls team.
- No permission is needed for a U 16 boy to play up on a U17, U18 or U19 team.

Form and Roster Procedures

- The form will originate in the player account, be approved by the club, then by the FYSA Director of Coaching.
- These requests are processed on Tuesday of each week.
- The office will process this request and this will result in a new Official State Roster being created by FYSA office staff .
- Any changes to the team's roster in the future must be done by FYSA office staff

- Prior to adding a younger player to a roster the player's team must be entered into the 2011-2012 Registration event.
- The roster must have been generated, with the other members of the team. Note: this is only allowed by rule after 08/01/2011.
- Player must be on player list in the club tab.
- Process starts with player being on team player list in club account.

Request is accessed through player account
