

REGION CUP APPLICATIONS NOW OPEN

Enter online through your official Got Soccer Team account.

This year, application to Regional Cup for your region, must be processed online. Application is ONLY to be made from the Events search in your Got Soccer team account.

DO NOT create a new team account in order to enter. YOU MUST log in to the team account affiliated with your FYSA Club, that your players have been rostered to FYSA through a "registration event". Entries made from a unaffiliated team account will be rejected. If you do not know your team account ID and password, contact your club Registrar.

Here is how to enter:

- Log into your Got Soccer Team Account, www.gotsport.com, log in to Teams and enter your TEAM account User ID and password.
- Click on the **EVENTS** tab, then select **SEARCH EVENTS**
- In the **EVENT NAME** box (only) type in **FYSA 2012**. This will bring up the list of 4 possible FYSA 2012 events as follows:
 - FYSA 2012 Region A Cup
 - FYSA 2012 Region B Cup
 - FYSA 2012 Region C Cup
 - FYSA 2012 Region D Cup
- Teams may enter only ONE (1) event, either State Cup or Region Cup for the region you are registered in. Select ONE (1) event.
- Click on **Apply Now** then follow instructions to complete the application.
- When you get to the **confirmation page** (Step 5) print the resulting Internet page. (*If you fail to print this page, log back into your team account after you complete the application, then click on the State Cup or Region Cup event under "Pending Applications" and print the summary page.)
- Have the Agent of Record and one team staff/coach **sign** the printed page (print names as well).
- **Mail** the signed page along with check or money order to the address noted on the confirmation page, **for receipt by the deadline** to the address noted in the events' rules. Put the check or money order # on the confirmation page also. If a credit card payment is an option for that event you will find it available on the GotSoccer application.

Contacts & Support: If you encounter difficulties or have questions in accessing your team account that your registrar cannot assist you with, the following contacts are here to help, but do not wait until the last minute so you do not miss the deadline to apply:
