2010 US Youth Soccer Florida State Cup Rules & Regulations

Prior to the competition, the Competition Committee will appoint a Discipline Committee consisting of four (4) persons. The committee will review and rule on all reports of unacceptable conduct by players, coaches, managers, referees, spectators, etc. Notwithstanding rulings of this committee:

1. A player or coach ejected will have at least a one- (1) game suspension. A player/coach may receive more than a one-game suspension based on the severity of the actions. The minimum suspensions for unacceptable conduct will be in accordance with FYSA's discipline procedures.
2. Suspensions for red cards/ejections received in any level of National Championship Play, including State Cup competition, can only be served in National Championship Series games (State Cup, Southern Regionals and Nationals) in accordance with FYSA and National Championship rules. These suspensions will carry forward to future years until served in full, and **CANNOT BE SERVED IN ANY OTHER COMPETITION**. Any remaining suspensions for red cards or other ejections received in prior year's State Cup National Championship Series competitions must be served in this year's State Cup play.
3. Coaches and other team officials shall be subject to all rules pertaining to misconduct contained herein, including cautions, ejections, and standard suspensions. Any coach or team official shall be held responsible for the actions of any individual(s) at any match, that in the opinion of the referee, is a supporter of that team.
 - A. A Registered member of the team's staff must escort any player red carded from the field of play. Said player must sit at the site director's tent, headquarters, or designated area until the field has been cleared following the game and the team is in process of leaving the site. Failure to timely comply with this requirement may be grounds for the match to be declared a forfeit. A Player under the age of eighteen (18) may leave the site if they are released by the Site Director into the care of a parent or guardian only. Player and parent may then leave the site.
 - B. Any coach ejected must leave the Site immediately following ejection. At the discretion of the Site Director, the coach may sit at the site director's tent, headquarters or designated area until the field has been cleared following the game and the team is in process of leaving the site.
 - C. It shall be the coach's responsibility to notify the site director prior to any match of any players serving suspensions. A suspended player may be present at subsequent matches and if so, remain on the team's bench and shall not be in game uniform. Failure to notify the site director may result in the player receiving an additional game sanction.
 - D. An ejected Coach shall not return to the site for subsequent matches until suspension has been served. Site Director has the discretion, upon consulting the Competition Committee chair, to allow the coach to serve the suspension at the site director's tent, headquarters, or designated area. Coaches who coach more than one team will be barred from all games of other teams until the suspension is served with the original team with which the coach received his ejection. Failure to comply may result in the match being declared a forfeit.
