All Affiliates in B2:

Welcome to the start of the fall 2006/2007 season. Some interesting things are on tap for this new soccer year. Most noticeable and I believe most helpful for everyone is that all of you will be printing your passes soon after you upload them. A color laser printer works best as the ink can run if it gets wet if you use an ink jet model. Right now electronic registration is for players only, but we hope to expand to cover coaches and volunteers in the near future. This will make it much faster to put players on the field with permanent passes and you will no longer have to wait on signatures from me. All club registrars have been made ADCs so that they can sign what needs to be signed including the passes. **ADCs can sign tournament rosters if needed. ADCS MAY NOT SIGN AFFILIATION FORMS OR INSURANCE CLAIM FORMS. THOSE MUST COME TO ME.**

ADCs and the clubs they will sign for: These are also the registrars for these clubs except that Mary Jo will assist all clubs with electronic registration problems and is an ADC only for all clubs other than Deltona.

Flagler United = Mary Beth Newsom/Mary Jo Crews

Ormond Beach = Jeanette Oberst and Pippi Edwards/Mary Jo Crews

Port Orange = Kelly Rand / Mary Jo Crews

Southeast Volusia Soccer Club (SVC) = Mark Herwald/Mary Jo Crews

Stetson Futbol Association = Lois Donohoe/Mary Jo Crews

Deltona Soccer club = Mary Jo Crews

If any of you need me to come to a board meeting please let me know as I am available to meet with you pretty much any time you need me to. Just give me a little notice and I will do my best. I will be meeting soon with my ADCs/registrars to go over what's new and help them get off on the right foot. With the help of these experienced ADCs and registrars, I am sure this will be a smooth year. Please make sure you get some kind of a game report for your teams going to State Cup as they will be asking for them when you apply. If you have four home games then I would ask the referee to make a short game report. Make sure the team codes are on the report.
