

Davis-Hackworth Rosen Scholarship

The Davis-Hackworth Scholarship was created 8 years ago in honor of Joe Davis and Donna Hackworth, both of whom died while in the service of FYSA. Joe was our former president and at the time of his death, he was Vice President of Communication and Administration. Donna, at her passing, had left her volunteer position to become Programs Director for FYSA and a very hard working employee.

I, for one, was at Joe's hospital bed just before his passing and he was in bed and still transacting FYSA business on two different phones with folks at his bed side. He worked until his very last breath.

The story with Donna was pretty much the same thing. Donna's down turn started while on a road trip to Southern Regionals in Tennessee. It took our Secretary at the time, Jerry Matlak, suspending her to get her to seek proper medical help. It was soon after that that we realized the severity of her illness and she later would pass on from her illness.

Both of these folks cared more about FYSA and its children than themselves. That is why members of Region C Committee, the Region C Vice President and 6 DC's voted to start the scholarship. A few years later our sitting Secretary and a very strong supporter of Region C, Norm Rosen, suddenly and with no warning, died of cardiac arrest.

It is for this reason we offer scholarships to players of Region C. They are intended for those players who demonstrate the highest level of academic performance along with soccer skill and dedication to FYSA, its affiliates and their own community and school.

Below you will find an application form to fill out which is to be submitted with a high school transcript and letters of recommendation from high school, community and soccer leaders and coaches. This shall also be accompanied by a resume of accomplishments and a short essay telling us of your past accomplishments and your future plans.

The documents shall be packaged together and mailed to Region C Scholarship, Attn: John Steinweg, 2010 SW 30 Street, Cape Coral, FL 33914.

Thank you and Good Luck,
John Steinweg

Region C Davis/Hackworth Memorial Scholarship Fund

Region C has established a scholarship fund in honor of FYSA's most dedicated friends who died while in the service of FYSA, Norm Rosen, Joe Davis and Donna Hackworth. Applications are available for players who are graduating high school and resided and played in Region C.

There will be a scholarship available for one boy and one girl in each district in Region C in the name of Donna Hackworth. There will be two scholarships awarded, for one boy and one girl, region-wide in the name of Norman Rosen which includes registration for the FYSA AGM to receive the award, and four high level scholarships in the name of Joe Davis.

The criteria will be judged in five areas: academics, citizenship, soccer commitment and commitment to the game, references from non-family members, and other extra-curricular activities.

This form should be accompanied by letters of reference, transcript, resume of accomplishments, and a short essay about yourself and your future plans. Please include sports, academic, and community service references and letters of recommendation. Please enclose all together and mail by May 10th, 2009.
