OPERATION OF THE REGIONAL CUP COMMITTEE

Region B Cup Competition is under the jurisdiction of the Region B Regional Cup Committee (RCC). The committee reserves the right to render a final decision with respect to the competition which includes, but is not limited to, group drawings, selection of sites, scheduling of games, referee assignments, eligibility of teams and/or players, selection of play format, assessment of fines, determination of forfeits, selection of awards and sponsors.

In addition, the RCC reserves the right to determine who is selected to represent Region B in the President's Cup competition. Winning an age group division does not automatically qualify a team to advance, if in the opinion of the RCC, the team has not earned the privilege to represent Region B. Teams that exhibit poor sportsmanship on/off the field, have coaches and/or parents constantly berating the referees and/or site officials, and reflect poorly on their club and district can expect such a ruling by the RCC.

GROUP PLAY FORMATS

The RCC will furnish the format to the entered teams after the draw. It is to be a competitive format with the first round games to be determined by "luck of the draw" and not to be changed. The purpose of the competitive format is to determine a boys' and girls' regional winner in each age bracket. There is no minimum game guarantee for these teams.

PRE-GAME PROCEDURES

1. TEAM CHECK-IN: 1 hour prior to first game

Prior to the first game at each round, the Coach/Manager/Team Representative will check in with the Site Director, present the passes for all players and coaches, and enter the jersey numbers for each player on the roster who will participate in the game. For all rounds except Final Four Championships, the Coach/Manager/Team Representative will pay the referee fees for the weekend of play prior to the first game check-in. (In required currency as defined below).

Referee Game Fees Per Game Per Round				
Age Group	Referee	Asst. Referee	Total per team	Required currency
U11, U12, U13, U14	30	15	30	10/10/5/5
U15, U16	40	25	45	20/20/5
U17, U18/19	50	30	55	20/20/5/5/5

Referee fees for mini-games are exactly one-half the totals listed above.

Teams will not participate until the referee fees are paid. Game time is forfeit time and the grace period will not be extended because of non payment of referee fees Payment must be in cash – not by check or credit card. See Forfeit section below.

2. At time of check-in, the Coach/Manager/Team Representative must inform the site director and note on the roster any player who will not participate in the match due to absence, injury, or suspension (i.e. for a previous red card). Failure to notify the site director at this time shall be evidence that all players on the roster did in fact participate in the match.
3. Failure to have the proper player/coach's passes will result in the team either forfeiting the match or the match being declared a forfeit by the cup committee.
4. The Coach/Manager/Team Representative for all U17 and U18/19 teams must check-in with the Site Director one-hour (1) prior to each match, and declare their 18-man game roster prior to the game report being sent out to the field with the referees.
5. The Site Director will give the passes and a copy of team rosters to the referee assigned to the game.

NO PASS – NO PROPER EQUIPMENT – NO PLAY – NO EXCEPTIONS

6. The referee will check the player's identity with his pass and will check the player's equipment. Only at this time may a player be challenged. The referee will note the challenged player's name on the game report. The player will be allowed to play. No player's eligibility can be challenged or protested after the start of each game.
7. A player arriving late must first check in with the Site Director. After verification of eligibility the Site Director or designated assistant will escort the player to the field and notify the opposing coach and assistant referee.

If a coach is ejected, an assistant may coach the team. If the assistant is ejected (or if there is no assistant) and there is no other coach/manager with a current, valid US Youth Pass on that team's roster, the game will be declared a forfeit. A score of 4-0 will be recorded and a fine of \$300.00 will be assessed and is payable to the Site Director prior to the team's next competition. Under no circumstances will a team be allowed to participate without a coach/manager/assistant.

POST GAME PROCEDURES

1. At the conclusion of the game the referee will return all player and coach passes, a complete game report, incident report (if necessary), and the roster copies to the Site Director. Upon completion of this procedure the referee will receive the game fee.
2. Both teams must clear the bench area and the field as soon as possible, (ten (10) minutes maximum).

3. Both teams are required to ensure the bench area is cleaned and trash disposed of in a proper manner (Failure to do so will result in a minimum fine of \$50 to a maximum fine of \$150 against the team/club).

4. Coaches are expected to sign the completed game report to verify the recorded scores. At the conclusion of the weekend the Coach is to pick up the team coach/player passes from the Site Director.

It shall be the sole responsibility of the head coach to insure that all player/coach's passes have been picked up at the completion of the weekend.

CONTROL OF THE SIDELINE

Players, coaches, managers, and fans are expected to conduct themselves within the letter and spirit of the “Laws of the Game” and the FYSA Code of Ethics. All questions relating to the qualifications of competitors, to interpretation of the rules or any dispute or protest shall be referred to the Region Cup Committee. This fee must be a money order, cash or club check. Personal checks will not be accepted. The site director will then forward the protest fee with the written protest to chair of the Region Cup Committee. - 4) The Chairman will notify the team, if applicable, against which the protest has been lodged and send a copy of the protest to that team. They have the right to state their case, in writing, and must mail it to the Region Cup Committee within 48 hours of receipt of the protest lodged against them. Again, certified mail is required.
- 5) Once the Chairman receives the reply the Committee has 48 hours to make a determination on the protest. This decision will be verbally relayed to the protesting party by the Chairman and followed by a written determination to both parties.

A plea of ignorance of the rules of this competition is not sufficient grounds for appeals or protests.

EXTERNAL CONDITIONS, WEATHER, ETC.

In the event unusual conditions necessitate rescheduling, stoppage, or cancellation of the games the Region Cup Committee shall have the authority to make changes to best serve the interest of the tournament, keeping in mind the need to identify Region B representatives to the President's Cup.

AWARDS CEREMONIES

Following the completion of the Final Four Championship weekend games, all teams will present themselves to a site identified by the Site Director where awards will be presented. Awards will be provided for all teams competing on this weekend. Also, it is

possible Region B can send several representatives to the President's Cup and we need to be able to ask which teams, if offered the opportunity, can take advantage of it.

DETERMINATION OF PRESIDENT'S CUP TEAMS

Winning the Regional Competition does not guarantee a place in the President's Cup. While it will weigh heavily in the Region Cup Committee's decision the **Committee does not want Region B to be represented by teams that consistently engage in foul play (as evidenced by a high card count), inappropriate behavior by players, coaches, managers, or parents/spectators, or consistently complain about referee decisions, field conditions or other manifestations of bad sportsmanship.** The Region Cup Committee will be the sole determiner of who will represent Region B in these competitions and will announce their decisions as quickly as possible to allow the teams to prepare the appropriate paperwork and make arrangements at the Competition Site.

Regional Cup Champions who do not fulfill their obligation to compete in the President's Cup event is subject to a fine of \$2,500 should the opening not be filled by another qualified team from the Region. In the event a Region did not offer a competition in a particular age group/division, the 2nd place team from another Region will fill that spot, as determined by the President' Cup Committee.

GENERAL TOPICS

1. The Regional Cup Committee and/or FYSA will not be responsible for any expenses incurred by a team due to the cancellation, in part or whole, of this tournament, or any travel incidental to the competition.
 2. The RCC's interpretation of the foregoing rules and regulations shall be final.
 3. The RCC reserves the right to rule on all cup matters, whether or not they have been specifically addressed herein.
 4. The RCC has the right to refuse entry of any team applying for the tournament.
