FYSA New Member Entry

Acceptance into FYSA membership is not guaranteed. When considering prospective full-affiliate members, the FYSA Board of Directors shall consider the below New Member Entry Criteria. **The Board of Directors adheres to an inclusive approach to new member affiliation.**

In an effort to obtain local feedback from existing members, affiliates within a 15-mile radius of the potential new member's home field will be provided an opportunity to object to the new member's acceptance based on the New Member Entry Criteria. An objection to membership (based on the below criteria) will not automatically exclude the prospective member from FYSA. The FYSA Board of Directors will strongly consider objection(s) when evaluating a new member application.

Objection Process:

- Existing members are not required to object to a new member application.
- If an existing member does object to a prospective new member's acceptance, objection must be sent to the FYSA Board of Directors (care of the State Office) no less than seven (7) days before the application for affiliation is considered by the Board of Directors.
- The FYSA State Office will notify all members within 15-miles of a prospective affiliate at least 30 days prior to the Board of Directors considering the application.
- An objection to membership must be submitted as a formal letter to the FYSA Board of Directors explaining why the new member should NOT be accepted.
- The objection shall be based solely on the New Member Entry Criteria.

New member applications must be received no later than 60 days prior to the March or October Board of Directors meeting per Rule 102.3 in order to be considered. In addition to the documentation required by rule, the new members may submit to FYSA documented evidence related to the New Member Entry Criteria to support their acceptance.

New Member Entry Criteria:

1. The prospective new member's acceptance is 'for the good of the game' in the state of Florida and immediate region per Rule 102.2
2. The prospective member will pay an affiliation fee for the first two (2) years in the amount of \$5000.00 to be utilized as follows: Affiliation fee of \$2,000.00, prepaid registration fees in the amount of \$3000.00 (Any unused registration fees not utilized in the first two years will be carried forward to the third-year affiliation. At the end of the third year, all unused registration fees will revert to FYSA's general fund.)
 - a. A waiver to Rule 102.3 (2) (the additional \$3,000.00) may be granted if it is in the best interest of FYSA.
 - b. A written request for waiver must be submitted with the application for affiliation. This request for waiver must be approved by the RVP, and the BOD of FYSA. The decision of the BOD is final, binding and unappealable by any of the parties.
