## PROCEDURE TO RESCHEDULE:

- All FYSA reschedules must be accompanied with a \$250.00 reschedule fee. Exceptions are only granted due to inclement weather, dangerous field conditions or facility unavailability, and COVID positive cases (COVID positive test form submission required).
- NO reschedules or changes can be made to matches within 48 hours from the scheduled start.
- Reschedule conversation/confirmation MUST be made using GotSport 2-way chat system (using GotSport Team accounts).
- The "Time Before Match" above is relative to when **FYSA confirms** your reschedule has been received. Do not assume you have meet window of time necessary if you have not heard from FYSA confirming the reschedule.
- All FYSA reschedules must be submitted via **2021/ 22 FYSA Self Schedule Request Form** in GotSport with the match number, ORIGINAL date time, and location and NEW date, time and location. LINK TO FORM: <https://bit.ly/3C746xc>
- Reschedules are NOT finalized until the FYSA Office has approved the reschedule and the website has been updated.
- It is the team's responsibility to contact their Local Referee Assignor as well as the opposing team in case of change of venue.
