

## **Job description**

An enthusiastic and accountable youth soccer coach looking to teach the game to players ages 8 to 18. USSF D license or better a benefit but not required. Coach must be able to teach system of play, tactics and positional responsibilities.

### **RESPONSIBILITIES**

- Conduct oneself in a professional manner as a representative of the VSC.
- Lead and/or assist trainings typically occur within the time frame of 5-9 pm on weeknights. Attend and manage all league and tournament games.
- Advise, educate, and provide development opportunities.
- Stay current on developments in youth soccer through reading and participation in continuing professional education.
- Develop personalized technical and soccer intelligence improvement plans.

### **QUALIFICATIONS**

- On-field experience - playing and/or coaching.
- Coaching license - preferred, but not required if candidate shows proficiency in the additional areas below.
- A passion for coaching and developing grassroots level players.
- Strong communications skills and ability to educate.
- Have own transportation.
- Willingness to attend coaching education and have a growth mindset.
- An ability to think and plan strategically, as well as the ability to adjust on the fly and be autonomous in training sessions.
- A team player, with an ability to operate as part of an integrated multi-functional management team.
- Candidates must be authorized to work in the U.S.

### **This position requires the following background clearances:**

- SAFESPORT CERTIFICATION
- FYSA BACKGROUND CHECK
