

We are looking to bring in a coach with extensive experience in a competitive club environment, preferably with an administrative/curriculum development background.

Essential Functions

- Head Coach 1 team.
- Design and execute training sessions that align with age-based curriculum.
- Conduct team/player meetings and evaluations including Player Development Plans.
- Coordinate and manage game schedules.
- Utilize and implement technology within learning environment. VEO, Beyond Pulse, Google Sheets (Google Suite of products).
- Additional responsibilities can and will be assigned based on candidate qualifications and possible director role.
- USSF D license or higher.
- Strong written and verbal communication skills
- Ability to work productively in a collaborative environment.
- Average training schedule runs Monday – Thursday for 1.5 hours beginning at 6 or 7:30pm. Saturday morning trainings possible and depend on game schedule and team assigned.
- Well organized and prompt in communication.

About Plantation FC Rush

Plantation FC Rush is a youth soccer development program in Fort Lauderdale area. We strive to establish an unmatched competitive atmosphere that will breed technical proficiency, tactical understanding, and mental toughness. Guiding this process will be a top tier coaching staff with decades of experience at the highest levels of Club and College Athletics. Our players and teams will fulfill their ultimate potential through high level competition, continuing education, and a sense of belonging brought on by our club culture. Our goal and our focus is, and will always be, to develop athletes with strong character, a burning desire to compete, and to always carry themselves as compassionate citizens both on and off the field.
