Tiebreakers

If teams are tied in accumulated points, seeding in the Florida Presidents Cup will be determined by the following:

1. Higher finish in National League P1
2. Higher finish in the National Championship Series (Nationals/Regionals/State Cup)
3. Higher finish in National League P2 / FSPL
4. Higher finish in Presidents Cup (Nationals/Regionals/State Presidents Cup)
5. Higher finish in FSPL Qualifier Leagues
6. Random Draw

Seeding Procedures

Group Play Seeding

The number of teams seeded in Group Play will be equal to the number of brackets in each age group multiplied by two. For example, in an age group with 8 brackets, 16 teams will be seeded, where Group A would have seeds 1 and 16, Group B seeds 2 and 15, and so on. Then, a blind draw will be conducted to place the remaining teams into groups.

Group Play Self-Schedule Match Seeding

The higher seeded team in each self-schedule matchup will host the Self-Schedule Match in the Group Play. If teams are more than 200 miles apart based on their main home fields, the match will be played at a neutral venue.
